The Cooperation Programme between Latin America, the Caribbean and the European Union on Drugs Policies (COPOLAD), presents this session, to explore:

- The key role of National Drug Observatories (NDOs) in providing information to facilitate evidence-based policies on drugs.
- The main challenges which, from both perspectives, monitoring centres will have to face in the near future to increase their influence in policy-making.

SPEAKERS:

Gonçalo Felgueiras. Head of the RTX and External Partners Unit.
European Monitoring Centre for Drugs and Drug Abuse (EMCDDA)

Graciela Ahumada. Expert coordinator of the Task Force Consolidation of National Observatories in Latin American and Caribbean Countries (COPOLAD)
