- Enhancing the role of drug treatment services for HCV elimination among people who inject drugs
- Progress in alcohol research and treatment systems: The new generation of principles, methods and models
- Epidemiology of hepatitis C among people who use drugs — data to inform future planning

**16:30**
- Migration, drug use and treatment
- Gender and drugs in Europe
- Closing the gaps: HIV and Hepatitis continuums of care with a focus on people who inject drugs
- Digital health multi-sector co-ideation game jam

**18:20**
- Workforce development and training
- Innovative approaches for assessing or impacting demand for substances

### Big debate: Will changes in cannabis policy result in greater costs or greater benefits?

**Moderator: Florence Ranson**  
**Panel: Laura d’Arrigo, Jennifer Price, Robin Murray, Wayne Hall and Tom Blickman**

**20:00**
- Welcome cocktail

---

**COMPLETE PROGRAMME**
### Programme Overview

**Plenary II: Learning from the past to meet the challenges of the future**

- **Future perspectives for reducing tobacco related harm – what have we learnt?, Karl Lund**
  
  - 09:00
  - Focus on the EU borders
  - How to inform policy and decision makers about treatment adherence
  - Chair: Eilish Gilvarry

#### Session 10:30 - 11:00

**Networking Zone**

- Towards a consensus approach to opioid substitution treatment outcomes and how they are monitored
  
- Drug-related interventions in European prisons
  
- Understanding behaviours, risks and harms
  
- Candidates of behavioural addictions
  
- Monitoring trends and developments

#### Session 12:20 - 13:00

**Networking Zone**

- Post-marketing prescription drug mosaic surveillance
  
- Addicted to work: the use of cognitive enhancers
  
- Alcohol: harms and policies
  
- Infusing policy with evidence

#### Session 15:00 - 15:30

- Global changes in cannabis products
  
- Future addictions project game jam
  
- Emerging issues in the management of conflicts of interest
  
- Alcohol: comorbidity, risk and consequences
  
- Safer drugs? – FuturiZe thought leader round table

#### Session 16:30 - 17:00

**Networking Zone**

- Prison and drugs in Europe
  
- European Drug Emergency Network Plus (Euro-DEN Plus)
  
- Factors influencing recovery

#### Session 18:20 - 19:00

**Networking Zone**

- Software-automated approach to monitoring online e-shops offering new psychoactive substances
  
- Developing new prevention strategies to improve the situation of clients and employees of harm reduction services

#### Conference Break

**Break**

#### Session 19:00 - 19:30

**Networking Buffet Dinner**
Day 3 | Friday 25 October
